6. Accessibility Services

## Important Update:

In the interest of keeping our students and staff healthy in response to COVID-19 as the college transitions to distance learning, Accessibility Services is setting and holding all appointments virtually. Our on campus testing center will remain closed for the remainder of the summer. Resources for those seeking assistance with creating digitally accessible content can be found below.

If there are questions or concerns related to Accessibility from either students or faculty please contact [dsservices@aquinas.edu](mailto:dsservices@aquinas.edu).

## Mission

The Mission of Accessibility Services, in concert with the Aquinas College Mission, is to ensure equal access to all programs and services for students with disabilities through a multilevel approach. We support our students in the practice and development of self-advocacy skills as they pursue their goals in education and beyond, and through intercampus partnerships, promote the development and improvement of inclusive practices.
